These gatherings are ideal opportunities for us to catch up and touch base with people dear to us, and to meet and form new acquaintances.

- Dato' M. Harris Kudus
Captain

With the holy month of Ramadhan behind us, the KGNS calendar for social and golfing events is back on track, starting with the Raya Open House and the inter-club game (home) with Royal Pahang Golf Club! It was very heartening to see KGNS members and corporate bodies hosting Buka Puasa at our premises for their families, friends and business associates. For me, personally, these gatherings are ideal opportunities for us to catch up and touch base with people dear to us, and to meet and form new acquaintances.

In any case, you might have noted that, during the Ramadhan break, the Course and Ground crew took the opportunity to do hollow-tining of all greens on the Putra and Kelana courses. Also, renovation of the Course and Ground maintenance building was undertaken, mainly in September, and at time of writing, work is in the completion stage. There is, however, more to be done in KGNS and, as we go along, we will identify areas, both off and on the course, that are in need of improvement.

At this time, I would congratulate and welcome those who joined us in the intake of new members at October's Introduction Night; aside from added revenue and patronage of our F&B outlets, this

also means that traffic at the Putra and Kelana is going to be a little heavier. Accordingly, it is hoped that golfers, particularly the new members, would take special pains to love and protect our courses, to observe the rules and etiquette of the game, even as you enjoy your round of social and/or competitive golf.

I take this opportunity to wish all Muslim Members Selamat Hari Raya Aidilfitri & Maaf Zahir Batin and to all Indian Members, a very Happy Deepavali.

Dato' M. Harris Kudus

Please be advised that all golfers should have valid golf insurance for your own and third party protection.

Note: Golf Insurance is compulsory for all visitors, members' guests and reciprocal members.

Hole Review

Kelana Course Tun's Nine

Hole No. 13

Par-3

Blue 142 metres

White 124 metres

Red 91 metres

Index 16

This beautiful par-3 is all carry-over-water that sits between its tee and its near-island green. The tee shot, from a slightly elevated back tee, increases in difficulty when a cross wind is present or when the wind is blowing directly into the face of the golfer. A good, bold, confident swing can yield a birdie, but a 'maybe-I-should-play-it-safe' mind-set more often than not means a double-bogey for the scorecard.

Rules of Golf

Putting Green

Under Rule 16-1a, you are allowed to brush aside loose impediments on your line of putt with your hand or even a putter. The casual movement of the putter along the line of the putt would not be a breach of the Rules unless in the process you did something to the putting green, such as press anything down, which might influence the movement of your ball when played (Rule 1-2).

Welcome to KGNS!

At Introduction Night (4), held on the evening of 8th October, 14 new members were inducted into the KGNS family in a simple ceremony with their proposers and seconders in tow. Also in attendance were KGNS President, YBhg. Tan Sri Dato' Seri Megat Najmuddin Megat Khas and members of the Management Committee and the KGNS Management team..

In his welcoming address, aside from highlighting discipline and dress code, the President stressed that membership into KGNS comes with responsibilities, in caring for the Club and its facilities, particularly, the golf courses. Urging all to abide by the rules and regulations of the Club, YBhg. Tan Sri reiterated that, at KGNS, a handicap test and rules seminar were prerequisites for those keen on golfing. Citing his own 40-year unending love for KGNS and seeing it grow through the years, he called on all new members to do likewise.

Berita Subang warmly welcomes the following into the KGNS community

1. Dr. Anil K Radhakrishnan
2. Darryl Kevin Valentine
3. Gavin Rajpal Singh Seine
4. Haziq Bin Hamizan
5. Terence Kam Chee Ling
6. Ngiam Choong Jin
7. Pauzi Bin Mohamad
8. Sarita a/p Moorthy
9. Toi See Yen
10. Toi See Yau

In the course of the evening, Berita Subang spoke to some of the new members and their casual comments were as follows:

Gavin Rajpal Singh Seine Cycle & Carriage

Patronising the Club at a very early age, courtesy of father Kuldip Singh Seine (Management Committee member), he is not a stranger to KGNS. "I like the facilities provided here even if I don't get to use all of them! For me, it's golf, swimming and the gym. My older brother is already a member, now it's my turn – have to start paying my own bills from here on!"

Michelle Yap Li Peng MedaFI (consultant firm)

Back from Sydney after her tertiary studies and work stint, she is equally familiar with KGNS as "my parents are members too and I would come here for swimming lessons as a kid! It has been quite a wait to get in but I am glad to be here. I intend to take up golf and you can expect to see more of me at the driving range, after work, of course!"

Haziq bin Hamizan Professional golfer

Dad, Hamizan Mohd Derus, introduced him to KGNS and golf as a child and Haziq turned pro in July 2009. "Convinced my father to transfer membership to me and hopefully I'll start a dynasty here, continue the cycle of life with my own family!" On aspirations for KGNS, he is anxious that "we get to hold the Malaysian Open here" and, needless to say, with him in the field!

New Face in KGNS

Just now settling down to the task of getting a firm handle on the financial affairs of KGNS, Brian Tan Ken Boo, 38, joined the Club management team on 1st October 2009 as Chief Financial Officer. Filling the spot vacated by Ms. Esther Khoo who retired recently, the father of two girls is an alumnus of RMIT, Melbourne and member of MIA (Malaysian Institute of Accountants).

Having served for several years in a similar capacity with real estate companies and property developers (Meda Inc.), Brian's move into the leisure industry is, as he puts it, "totally different and because knowledge has no limit, I want to learn as much as I can about the leisure industry." In a recent interview with Berita Subang, Brian remarked that while the "pace at KGNS is comfortable, less hectic than the corporate world, networking is equally important."

Not entirely sure when or how he will take up golf, Brian is, presently, somewhat preoccupied with

preparations for the 2009 KGNS Budget which would be presented to members at year's end. In the meantime, he is looking at the financial procedures and systems currently in place at KGNS with a view to improve, if required, on the status quo and clear hurdles and/or weaknesses, if any. When pressed for an opinion on his findings, he replied that "it's too soon to tell!" and, further, that "cash-flow is not an issue here and optimising returns or taking risks is very much dictated by Club policy."

Welcome, Brian, to the Club and may all your aspirations come true at KGNS!

Maintenance Building Construction

Construction of the Course & Ground Maintenance Building started on 7th July 2009 after all the necessary preparations had been undertaken by both the Course & Ground and House Departments. The appointed contractor, SQA Builders Sdn Bhd, quickly got down to work that was timetabled for completion by 3rd October 2009. The existing machinery storage areas however, were completed in two weeks as the scope of work only involved changing the roofing structure, to steel type.

Work continued to progress as planned for the main areas, which included the office, spare parts storage and workshop, and it is to be noted that the contractor himself worked as hard as he could in a bid to finish the job on schedule. Although we experienced a 6% delay, the overall progress percentage was almost 80%, as at 20th September 2009, and we remain hopeful that, on this basis, the project will be completed within the targeted time.

At Berita Subang print time, all the necessary activities have been carried out by the contractor, Course & Ground Department and the individual who is related or appointed to overseeing this project. We are confident that by mid-October, the new building will be up and running, with added rooms for both staff and equipment.

The Course & Ground Department takes this opportunity to thank the individual concerned and the company who have put in a lot of effort to make this new building a reality.

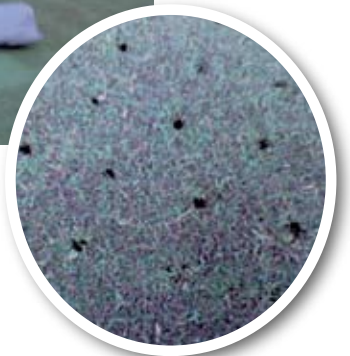

Hollow-tining & Verticut

Hollow-tining

In the golf industry this means making a hole, 3" or 4" deep, with the deepest being 8", into the soil. The major function of this is to loosen the soil structure, let air go through the soil for better ventilation and aid root movement penetration through the soil. Mother Nature's way of doing this job is using earthworms, but for golf courses, especially on the greens, the existence of earthworms poses problems for the Course Superintendent because the action will mirror the quantity of thatch. Numerous numbers of earthworms will mean a lot of thatch, a condition that is not healthy for grass survival. During heavy golf traffic, as is the case in KGNS, the greens are easily compacted and when more major competitions are scheduled by the Golf Department, the survival rate of the grass will decrease or, even worse, it will die if no preventive action like hollow-tining is taken.

Verticut

This is a combination of the word "vertical" and "cut", which means cutting the grass in a vertical way. The major function of this "cultural practice" is to cut what is known as the runner of the grass and, at the same time, remove the thatch that has accumulated underneath the grass level. As mentioned above, this accumulated thatch will make the green unhealthy because the twin activity of hydro-carbon breakdown bacteria and earthworms not only make the green smelly, but too soft and soggy during heavy rain. The runner will make the green look untidy and will affect the trueness of the green.

Cultural Practice

The Course and Ground Department has scheduled this cultural practice to be undertaken twice a year for both courses and recently, during the fasting month, it was done for the Kelana Course (work took place from 24th till 27th August) and on the Putra Course (from 14th till 17th September). The reason for choosing the fasting month was because of the low traffic during this period. The size of tining is 3/8", and the depth up to 5". Heavy verticut has been applied for the collar. After completion of this cultural practice, the affected areas would then be top-dressed with sand, fertilized with selected fertilizers and watered frequently in order to make the recovery period shorter. Playable condition is normally achieved after 2 weeks of cultural practice.

Member's Merdeka Night 2009

Although “Merdeka Night 2009” fell during the month of Ramadhan, it did not stop our patriotic members from coming together to usher in our Independence Day 2009 and make the occasion a success. Held in Bilik Buaya on 31st August, the celebration began at 8.30pm with the Jammers, our Sunday resident band, getting members and their guests into the party mood.

There were spot quizzes with patriotic questions about Malaysia and those with the right answers walked away with prizes sponsored by Forest'Secret and Ricoh. Also a special performance by Mr Alex Wong, a young Elvis impersonator who won

Mandarin Class Gathering

the Super Talent Search 2007, delighted and awed the audience with his fantastic performance and very-much-like Elvis voice.

At the stroke of midnight, cheers of "MERDEKA! MERDEKA! MERDEKA!" reverberated with the Social Sub-Committee leading all in song through "Negaraku", followed by "Tanggal 31 Ogos" by Sudirman and "Satu Malaysia" (theme of this year's Merdeka celebration) while hand-held "Jalur Gemilang" were waved in unison. A Merdeka cake, sponsored by Menangfax, was cut right after, adding icing to the festivities .

The Social Sub-Committee would like to take this opportunity to thank our sponsors; Forest'Secret and Ricoh for sponsoring prizes for the games and, last but not least, the sporting members who turned out and joined in to make this "Merdeka Night" a memorable and meaningful one.

The Social Sub-Committee recently organised 10 Mandarin Classes (from June-August), which proved to be a success as there was a great response from our Club members to participate. The main purpose of conducting these classes was to stir interest in spoken Mandarin and also as a social activity where students and teachers could look forward to seeing each other weekly for a 2-hour fun, interactive "Hua Yü" lesson. It was a member-for-member activity for which students need only to pay for refreshments served during the classes at RM10.00 each per lesson. Students comprising, Chinese, Malays and Indians, with the youngest at age 15 and the oldest at 85, took part.

The class instructors were club members themselves who volunteered their services without charge. We acknowledge with special thanks the untiring and unselfish contribution of time and energy from our kind volunteers, viz.:

- Mrs. Evanna Low, a Social Sub-Committee member and the person responsible for starting this activity;
- En. Atan Mustaffa Yussof Ahmad, the key person and the one responsible for the detailed design of the Mandarin Class syllabus and the Blog page; and last but not least;
- Ms. Gillian Goh who tirelessly committed her time weekly to ensure that all the students were not left out or left behind in any class.

The next Mandarin Class is scheduled to start after 1 November 2009. At the same time, we are also looking for more volunteers to assist us to cater for more participants. Course notes will be provided.

New students are requested to sign up for the class at the Reception Counter or call Pamela Looi at 03 7876 0388 ext 70/71.

KGNS Nightingales

The Annual KGNS Closed Karaoke Competition 2009 was held at the Multi Purpose Hall with 12 solos and 3 duets. With participants' families and supporters filling the Hall and rooting for their favourite songbird, the contest started promptly at 8.30 p.m. There is no shortage of talent in KGNS and for the 2009 edition of the competition, it was very encouraging to see new faces joining in the challenge. Everyone enjoyed themselves, listening to renditions of popular evergreens and cheering on the contestants who gave off their best that night.

Winners for this year's Annual Closed Competition 2009 were:-

Solo Category

Champion	Ederlina Katzengruber	(Greatest Love of All)
Second Placing	Angie Ho	(Soi Kook)
Third Placing	Elishah Fadhilah	(Lady Marmalade)
Fourth Placing	Wan Aziz Hj Ali	(The Way It Used To Be)

Duet Category

Champion	Khalid Abu Hassan & Sharifah Nor Ainie	(Jangan Dipisahkan)
Second Placing	Ederlina Katzengruber & Jamilah Yusof	(Saving All The Time)

Winners waltzed away with trophies, Body Shop hampers and the chance (for the top 4 in the solo and duet categories) to represent KGNS in the 17th Interclub Karaoke Competition, which was hosted at Royal Selangor Club on 7 August 2009.

The Social Sub-Committee would like to thank our Emcee, Mr Louis Iskandar and the panel of judges for officiating the evening – Zue Hassim, Aderline Khan and Eja Ismail, who contributed their time to support this event.

Hisyam Got Game!

A novel way to celebrate Hari Raya Aidilfitri, as KGNS teen golfer Mohd Hisyam Abdul Majid will tell you, is to go sign up for a golf tournament – and win it! Home for the holidays from Brisbane, Australia where he studies, the lad first secured a berth in the third leg of the SportExcel Premier-Elite championships held at Kelab Rahman Putra. Then, despite an absence of nearly nine months, young Hisyam turned in a stellar performance to post 3-under on the par-72 course, 5 shots clear of the nearest contender, and clinched victory in the Under-18 category.

In a media interview, Hisyam remarked, "I registered 2-under for the first nine holes followed by 1-under in the final nine holes". A little unsettled by the heavy downpour that disrupted play, he was unflinching, though, in keeping both momentum and spirit going and was "glad that I pulled it through!" Next on the cards is the SportExcel Junior Open Grand Finals scheduled for year end, when he will be set to defend the Boys' Under-18 title that he currently holds. *Syabas*, Hisyam, and all the best from all of us here in KGNS and Berita Subang!

Retraction & Apology

In the Obituary column of its April-June issue, Berita Subang erroneously published the wrong photograph of Allahyarham Encik Mohamed bin Abdul Wahid who passed away on 8/12/2008. Berita Subang therefore retracts the original notice that appeared in the April-June, which should have been published as follows:

Name: Mohammad Bin Abdul Wahid
M'ship No: M059
Passed: 8/12/2008
Date Joined: 1/9/1971

Berita Subang apologises unreservedly for the error and for any discomfort, grief and embarrassment inadvertently caused.

KGNS Hari Raya Open House 2009 at Poolside Terrace

The KGNS Hari Raya Open House was jointly organised by the Food & Beverage and the Social Sub-Committee in conjunction with the Hari Raya Aidilfitri celebrations for members to get-together for fun and fellowship. It was held on Saturday, 3rd October from 6.00 p.m. to 10.00 p.m. Members were charged a nominal RM15.00 fee per person in the form of a contribution.

More than 200 members and guest who attended the event enjoyed the wide range of Raya Cuisine of "*Masakan Kampung*" and "*Warung*". *Lemang*, *Ketupat*, *Rendang*, and *Serunding* were part of the dishes, besides the wide range of *Kueh Raya*.

Some members came in their Raya outfits and enhanced the festive mood of the event. The patrons were entertained by The Gazalian who belted out some nostalgic numbers as well as some modern songs. To the delight of those present, Afiq from Akademi Fantasia 5 made an appearance and performed two sets of fun Raya numbers. Sporting members also sang some Raya songs with the band.

We thank all the members who helped make the event a successful one and hope to see everyone again next year.
