

# NOTICE

## TEMPERATURE SCREENING

Dear Members,

Effective 16<sup>th</sup> March 2020 at 5.00am, all members, guests, staff and contract workers will be subjected to mandatory body temperature screening at P1 parking area before being allowed to get in the Club premises. Directional signages and security personnel will be stationed to direct traffic flow.

In view of the above, members are advised to come at reasonable time earlier to allow for the screening process.

Members who are found to pass the normal body temperature screening check will be given a wrist band to be worn at all times whilst you are in the compound of the club.

Any individuals who is found to exceed the normal body temperature level (38°C or above) will be asked to immediately leave the club premises to consult a doctor.

Your full cooperation id very much appreciated.  
Thank you.
